

Subject: An Act of Kindness You Can Do Today, First Pres Women

Sent: Oct 14, 2022

Hello lovely ladies!

My favorite verse to describe each of you is Proverbs 31:26 *“She opens her mouth with wisdom, and the teaching of kindness is on her tongue.”* Today I’m asking if you will use your gifts of wisdom and kindness to encourage our Senior Pastor Howard Griffin!

This month is Pastor Appreciation Month, and I’ve been asking God what would happen if we showered Howard with emails, texts, and cards of appreciation. I believe it would not only make his day/week/month, but it would encourage him at a time when he could really use that encouragement.

Would you take 5 minutes today to send Howard a kind text or email letting him know how much you appreciate him? Or if you have more time, you can send him a card or write him a letter. We hear too often these days when pastors fall from grace, but we rarely stop to recognize those who year after year rise above the temptations and give all they have to fulfill their God-given calling.

We are blessed to have a pastor full of integrity and with a desire to bring glory to God alone. This man works on our behalf every single day. How can you encourage him today (or anytime this month)?
